

TIME OUT!

Win a pair of his and hers Police watches worth R3 990!

The only time you want Police on your wrists is when it's in the form of a stylish timepiece that expresses your individuality and trend-setting nature, not when you're being dragged off to do some time. Police has set the trends in personal timekeeping with its unique mix of sex appeal and rebellious coolness. The Police philosophy is simple: be one in a

million and nothing is off limits. Be truly Younique. And now we're giving away this beautiful pair to one lucky reader.

The Vanity watch is for the occasions when your lady is out and about and wants to embrace her inner "bling" and let her fashion sense shine. The Topgear X, however, is tailor made for the rugged terrain of the modern man lifestyle.
